Dear Mrs. Auer:

This is further to your request under the *Access to Information Act*, received on November 6, 2009, for a copy of any research the CRTC has undertaken since July 2, 2006, about introducing a fee for carriage regime to provide OTA television licensees with compensation from broadcasting distribution undertakings.

The documents you are requesting are available on the CRTC's website, by sourcing Notice of Consultation 2009-70, looking under Related Documents: <http://www.crtc.gc.ca/eng/broadcast.htm#cc>. You should be looking more specifically for docs – 1107464, Fee for carriage impact analysis and docs. 1237310, Report on Discussions Compensation for Value of Signals Technical Working Group.

Yours sincerely,

Elsa Van Hulst
