Our file: A-2020-00091 / JRC

Dear Ms. Auer,

This is in response to your request under the *Access to Information Act* dated October 29, 2020, received by our office on November 12, 2020 for the following:

*“Written correspondence between CBC and the CRTC concerning Tandem.*

*Clarification received by the ATIP office:*

*I am seeking written correspondence between the CRTC and CBC “concerning” Tandem – in other words, written correspondence that concerns the branding initiative that CBC has been developing and that subsequently has been launched as Tandem. Bearing in mind that the CRTC ultimately published CBC’s licence renewal applications in the Fall of 2019, and therefore may have exchanged correspondence to CBC about matters touching on CBC’s renewal from 1 January 2019 to the present, please use a start date of 1 January 2019 with respect to my request in A-2020-00089. Please focus the request on CBC’s Regulatory Affairs sector, but ask that the correspondence also include correspondence between CBC’s President and the CRTC, if any, and between CBC’s Executive Vice-President (Ms. Williams) and the CRTC, if any, regarding the branding initiative now known as Tandem. I assume, incidentally, that written correspondence is understood for each of these requests as including email and SMS communications.”*

Please note that no records were found that respond to your request.
