Subject: Response from CBC/Radio-Canada to the Request for information - Filing of additional financial information regarding the CBC/SRC's digital activities Applications # 2019-0280-0, 2019-0279-2, 2019-0282-5 and 2019-0281-7.

Dear Mr. Doucet:

Further to the Commission's request for information dated 6 May 2020, we are pleased to provide the additional financial information referred to in our reply comments dated 6 March 2020.

As described in our letter dated 11 May 2020, the additional financial information consists of an overview of all of the Corporation's revenue and expenses, on an annual basis, covering the 5-year period of projections requested by the CRTC in the licence renewal applications; 2018-2019 to 2022-2023. These forecasts are consistent with the licence renewal financial projections that are part of the record of this proceeding and do not reflect any changes that may result from the impact on revenue and expenses of the Covid-19 pandemic.

Yours truly,

Bev Kirshenblatt
Executive Director, Corporate & Regulatory Affairs
